
Title: Ender's Memior

Author: Ender Byshian

I've lived a good life, I
loved it within
Britannia and I wish
this had never
happened. Within
this book my soul
lives on, please never
throw this away or
delete the words I
write. Ender Byshian
is a man of his word,
and his word is that
he shall be with you
in heart and soul. I
swear to you all that
you have not heard the
last of me, I stick on
you like white on rice.
Never forget me DK
or OA, because if you
do my soul dies with
this book. Blessed be
all of you, may your
souls be lighted, may
your lives be as good
as your greatest
dreams. I love you all
like the family I wish
I had. Thank you

Ender Byshian.
